A hand-drawn map of the Colorado Plateau region. The Colorado River is shown flowing from the top left towards the bottom right. To the left of the river is the 'Colorado Desert'. To the right of the river is the 'Colorado Plateau'. Several tributaries are shown: the 'Gila River' flows into the Colorado River from the north; the 'San Juan River' flows into the Colorado River from the east; and the 'Little Rock' flows into the Colorado River from the south. The 'Piano' is also labeled near the Little Rock. The map is drawn with simple lines and includes some handwritten notes and numbers.

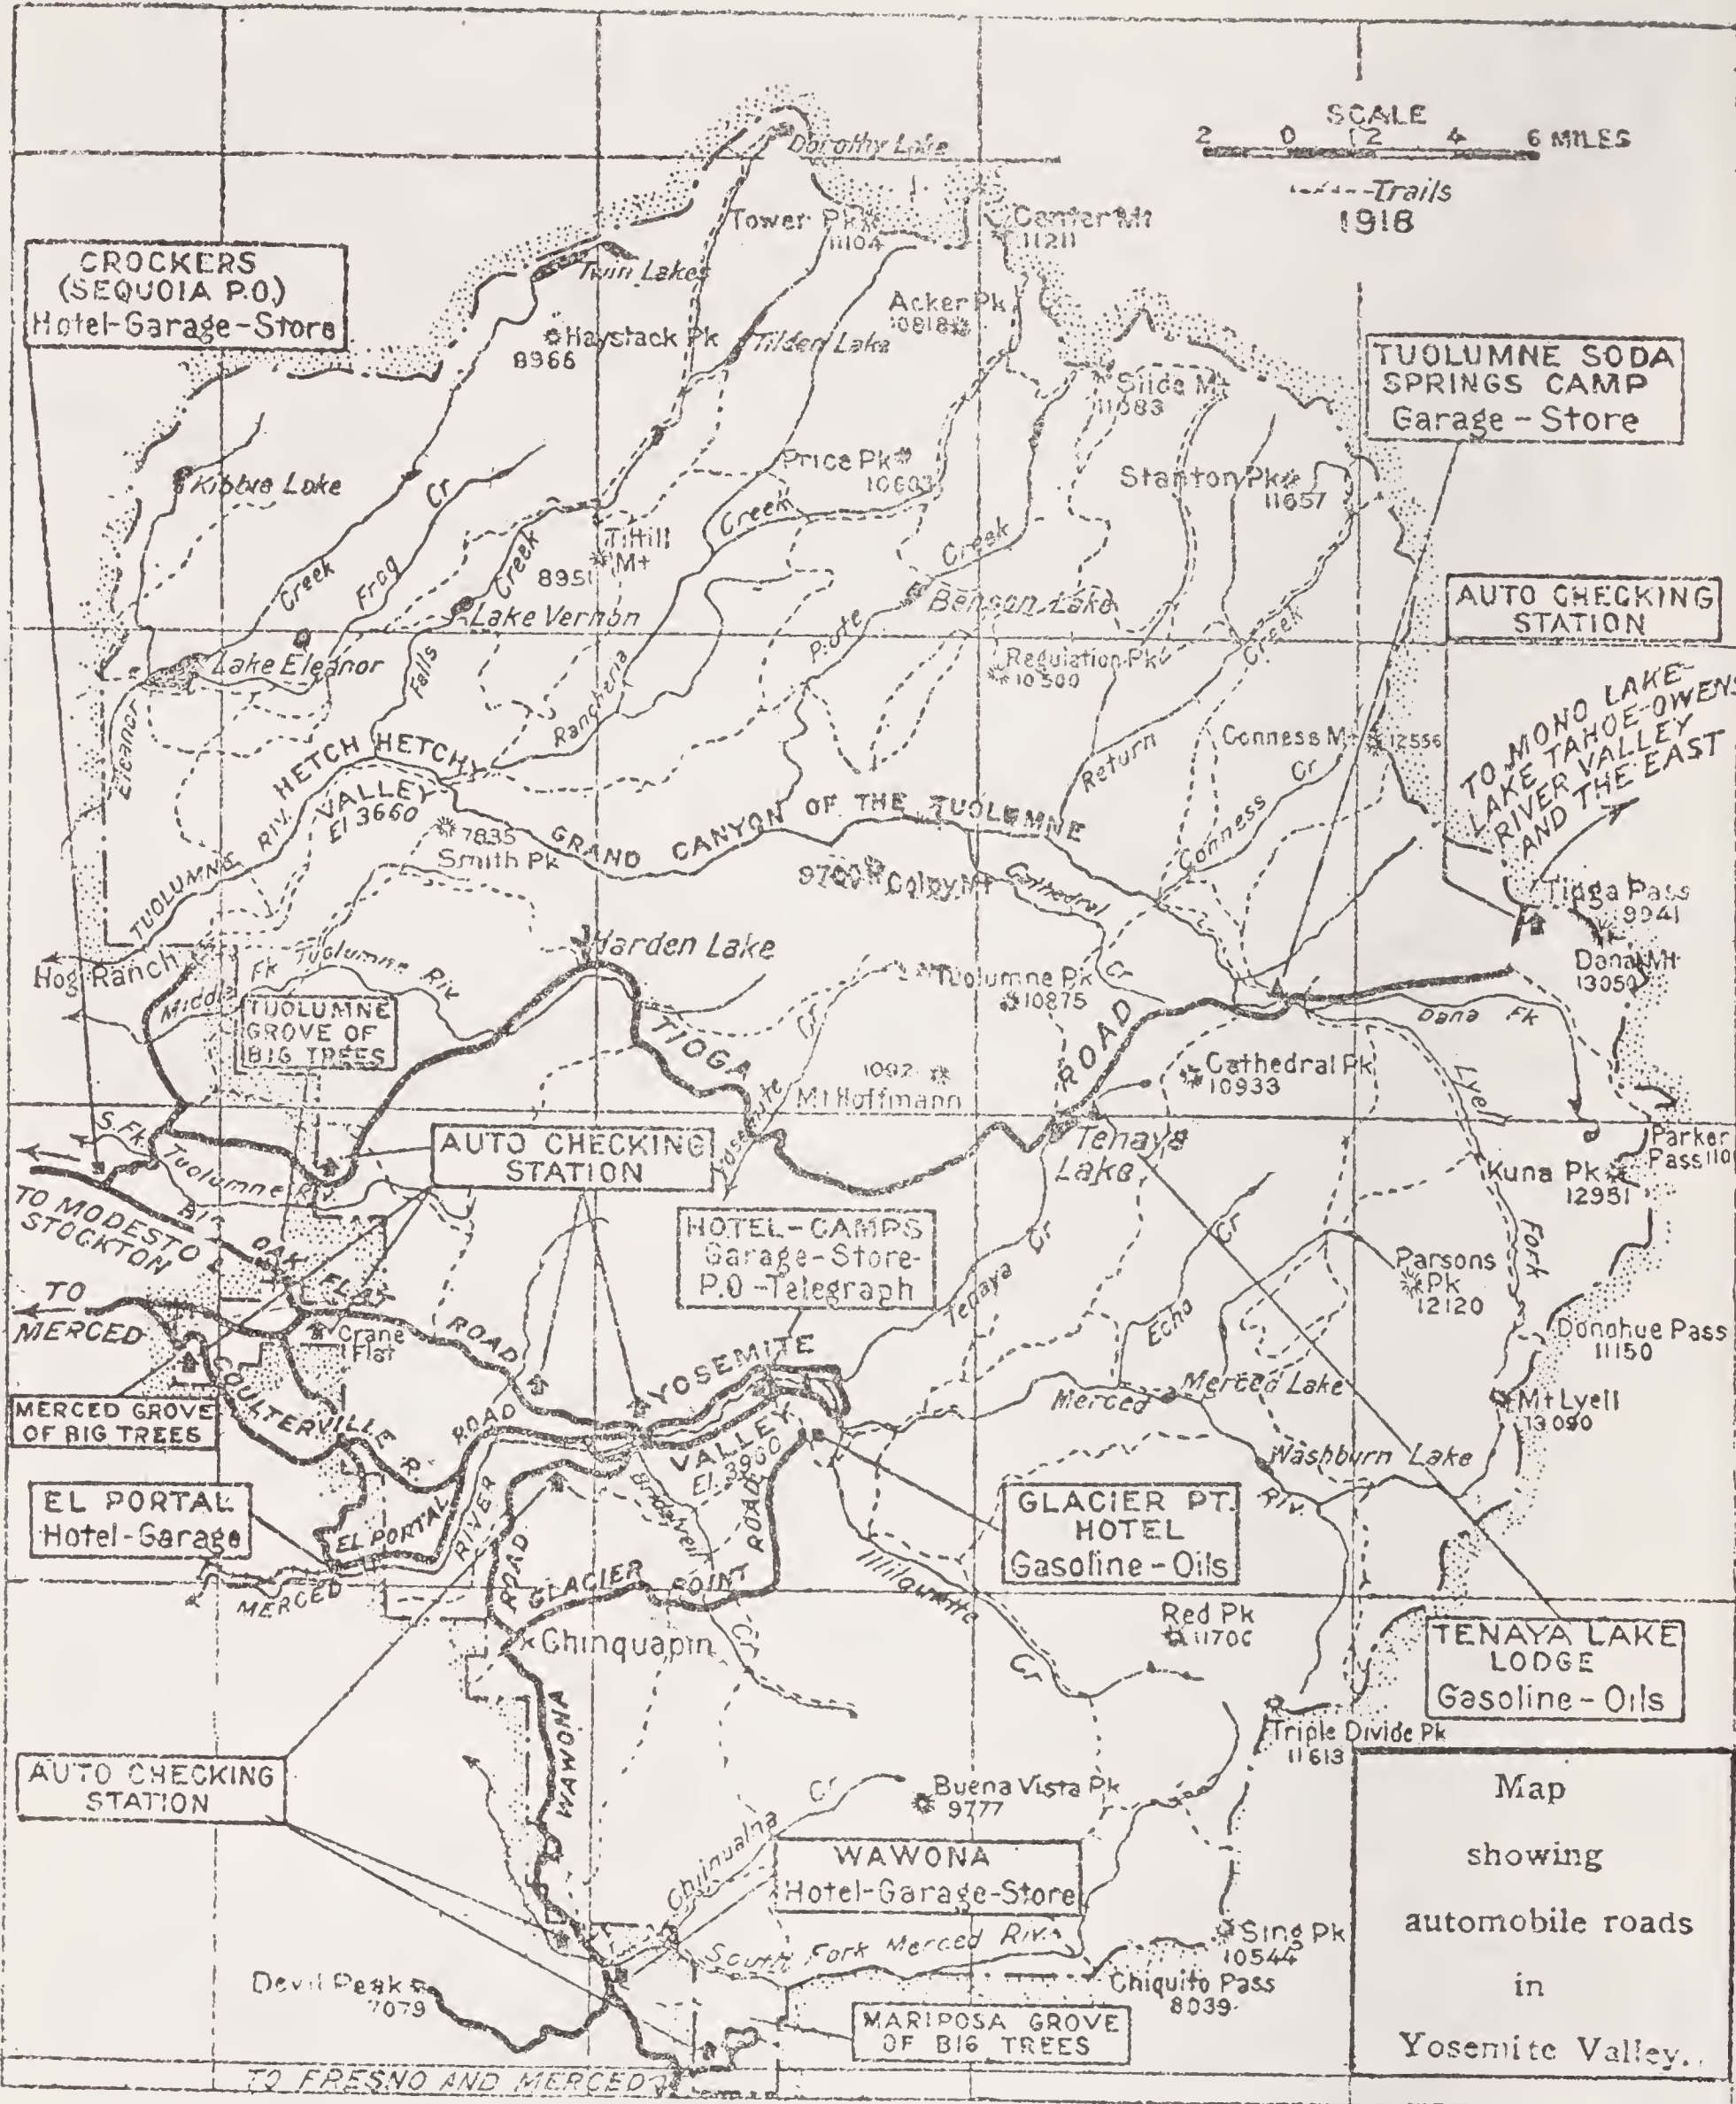

Handsomely illustrated folder and map free on request.
